SUMMARY

A detailed-oriented graduate in 2D animation, with experience of working with clients on design projects, specifically on creating logos for their businesses. Using my skills and attention to detail, I was able to bring their ideas to life and capture their vision and brand identity. Additionally, I have led a team of 20+ as a manufacturing lead, trained multiple employees, and worked with cross functional teams. I look forward to collaborating with clients and businesses and bring their ideas to life.
